

# FACULTY POSITIONS

## THE ROCKEFELLER UNIVERSITY

The Rockefeller University seeks exceptional, creative scientists to join its faculty. We invite applications from outstanding candidates for tenure-track positions, and also welcome applications from tenured scientists at an early stage of their career. The University is a very diverse community and we strongly encourage applications from individuals from racial and ethnic groups that are underrepresented in biomedical science.

The University has a laboratory centered rather than department based organizational structure that fosters interdisciplinary research. We encourage applications in the following areas:

- **Biochemistry, Biophysics, Chemical Biology, and Structural Biology**
- **Cancer Biology**
- **Cell Biology**
- **Genetics and Genomics**
- **Immunology, Virology, and Microbiology**
- **Mechanisms of Human Disease**
- **Neurosciences and Behavior**
- **Organismal Biology and Evolution**
- **Physical, Mathematical, and Computational Biology**
- **Stem Cells, Development, Regeneration, and Aging**

The Rockefeller University provides strong support for the work of its faculty including 100% faculty salary support, benefits that include subsidized housing and an on-site child care center from 3 months of age through preschool, generous start-up funds, new or renovated laboratory space and state-of-the-art core facilities, and support for all graduate students as well as continuing lab support. There are extensive opportunities for collaboration within the University and with neighboring institutions.

Visit <http://www.rockefeller.edu/facultysearch> to submit your application online and view further information about the positions.

**Application deadline is October 1, 2021.**

Address questions to [facultysearch@rockefeller.edu](mailto:facultysearch@rockefeller.edu).

The Rockefeller University is an equal opportunity employer and will consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
