Molecular Life Sciences

BIOZENTRUM UNIVERSITY OF BASEL INTERNATIONAL PHD PROGRAM

FELLOWSHIPS FOR EXCELLENCE

The Biozentrum encourages talented, ambitious and highly motivated young scientists to apply to the "Fellowships for Excellence" International PhD Program in Molecular Life Sciences. This program offers prestigious PhD fellowships that are awarded on a competitive basis and provide direct entry into the Biozentrum PhD program.

OPPORTUNITIES

- rotation-based selection of research groups
- a lively and interactive educational atmosphere
- competitive salaries
- personal annual research stipend

Applications to the international PhD program "Fellowships for Excellence" have to be submitted online:

WWW.BIOZENTRUM.UNIBAS.CH/EXCELLENCE

Research at the Biozentrum focuses
on the areas of

CELL GROWTH AND DEVELOPMENT

INFECTION BIOLOGY

NEUROBIOLOGY

STRUCTURAL BIOLOGY & BIOPHYSICS

COMPUTATIONAL & SYSTEMS BIOLOGY

Application deadline: June 30, 2014

supported by the Werner Siemens-Foundation
