

MICHIGAN STATE UNIVERSITY

Department of Chemistry
East Lansing, MI

Tenure track faculty position

The Department of Chemistry (<http://www.chemistry.msu.edu/>) at Michigan State University seeks outstanding candidates for a faculty position in Theoretical and Computational Chemistry at the Assistant, Associate or Full Professor level. Successful candidates are expected to develop a vigorous, externally-funded research program and to contribute to teaching at the undergraduate and graduate levels. Review of application materials will begin on October 20, 2014, and will continue until suitable candidates are identified. Application materials should include a cover letter, *curriculum vitae*, a statement of research accomplishments and a proposal for future research, a teaching statement, and names and email addresses of three references. The application materials should be combined into a single pdf file and must be uploaded electronically at <https://jobs.msu.edu> for posting #0146. Questions regarding the position may be directed to Prof. Katharine Hunt, Chair of the Search Committee (huntk@msu.edu), or to Prof. Robert Maleczka, Chair of the Department of Chemistry (maleczka@chemistry.msu.edu).

Michigan State University is an affirmative-action, equal-opportunity employer. The Department of Chemistry and the University are committed to achieving excellence through diversity. The Department of Chemistry and the University actively encourage applications from women, persons of color, veterans, and persons with disabilities. The University endeavors to facilitate employment searches for spouses or partners of candidates for faculty positions.
